

Dear Parents and Youth Pastors,

We are excited to invite each of you to the **Elevate To Your Calling Conference 2017** with the **Encounter God's Presence Ministry Team** from the DFW, Texas.

This event is geared towards Middle school and High school students.

Note - Sat. night is open to everyone.

Our goal for this conference is to equip and empower the next generation to what God has called them to be. Encounter God's Presence Team will be leading these powerful times together and they have a passion to follow the direction of The Holy Spirit for every minute. E.G.P. has been providing a very successful camp for about 300 since 2012 in Texas and we believe God is calling them to New Mexico so we can encounter God's presence together here. They are bringing their worship band that know how to "go deep" in worship along with a team of on fire for God speakers and servant leaders.

There will be some very unique ways for our teenagers to grow spiritually and engage with what God is doing.

Special workshops will be discussing certain topics like:

- Apologetics - Defending Your Faith
- Stop Bullying with the Greatest Speech in the World
- True Worshipers
- Missions & Sharing Your Faith

Location of the conference will be:

**Hobbs First Assembly (H.F.A.)**

800 W Bender Blvd, Hobbs, NM 88240

This is going to be a powerful Conference and we are praying that God gives us the opportunity to host a full week camp with Encounter God's Presence in Hobbs, New Mexico in 2018. Where everyone could stay the week at like for example the university and we have the camp there for like 5 days. We need your support and prayers.

This year the Conference will be only \$15 per person. This includes lunches on both Friday and Saturday. Parents, if you are planning to drop off your teenager and they are not a part of a youth group or will not be staying at a hotel please look over the schedule and pick them up accordingly. We will not be providing breakfast or dinner so leaders plan for that please. We have great group rates at a couple nearby hotels which provide a free breakfast so all you will need to consider is the cost of dinner. We will be finishing up our afternoon session at 4pm so you will have the opportunity to go to dinner and get ready for the evening service. There are plenty of fast food restaurants in the area.
