

**Here are some key details and financial info for each church to review for Encounter God's Presence Camp 2019.**

We believe the money put into summer camp is an investment that returns amazing results. We even view the week of summer camp as the most important week of the year because this is when we see young peoples lives impacted like never before. It's a week that is away from so many of the distractions and where we are saturated in God's Word, His presence, deep times of worship and extended ministry times with The Holy Spirit, that are the ideal recipe for transformed lives.

**Payment Installment Due Dates:**

Cost is \$255 per person (plus travel). Camp is geared towards Jr. High and High School age (some churches consider that as early as 6th grade or 12 years old). Make sure to check out our past [promo videos](#) and contact us so we can send you the promo packet for your group. \$50 deposits will be due on Fri., March 15<sup>th</sup>, 2019. Camp will be at [Southwestern Assemblies of God University](#) in Waxahachie, Texas.

Youth groups show up at [S.A.G.U.](#) on Mon. afternoon, have dinner, than our night session kicks off our camp together, and we end things with breakfast Friday morning. So camp is \$255 per person but your church may need to charge your people some extra to help cover some of your travel expenses. Please understand spots are on a... 1st come, 1st serve basis.

**Payment Installment 2019 Due Dates for Early Bird Pricing:**

Please make church checks payable to "Encounter God's Presence" or "EGP" and mail to: Encounter God's Presence 1169 N. Burlison Blvd. Suite 107 #316, Burlison, TX 76028

"Contact Us" (at the bottom of the webpages) if you want more camp details and to confirm opens spots. We have a promo packet with posters, links to 20+ promo videos and a detailed letter to send your church. Space is limited since there may be another camp going on at another part of S.A.G.U. So please make sure and send in enough deposits to hold your desired number of spots. Ideally, bring one leader for every seven campers, if possible. We recommend that you have your campers turn in their registration form to you when they turn in their deposit. Even though we won't need you to mail the reg. forms to us until you mail in the final payment on May 17<sup>th</sup>.

We request that you have a mandatory camper/parent meeting at least a few days before camp. As a youth pastor, I would always do that and try to capitalized on this "mandatory" meeting as an opportunity to reach out to some parents who don't normally attend church. This is also a great opportunity for many church-going parents to hear my heart also. We schedule our camp information meeting so that the parents also join us for an entire youth service, and it becomes a "Parent and Youth Relationship Building Night." We go over all the camp details, once the youth service is over. In our experience, this works best because we get to spend more time with the parents.

Please let us know if you need any ideas for fundraisers or if you have some good ideas you would like us to share with the other youth pastors.

For His glory,
